Academic Year 2019-2020 (Considering COVID 19 pandemic)

For the academic years 2019-2020 and 2020-2021 depending on the spread and intensity of the Pandemic, the academic schedules will differ from State to State or University to University, NAAC shall relax the condition making flexible and open-ended provisions for deciding the academic years. Through this institutions will be permitted to make the submissions as and when they complete the academic year.

Further for those who have already submitted their applications, in view of the pandemic situation NAAC shall extend the time for submitting the data including the academic year 2019-2020 within three months from the Government notification to resume the normal academic activities and completion of the conduct of examinations and other academic processes by the Higher Education Institution.

Sd-Director, NAAC

Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions (with effect from academic year 2021-22)

Introduction

In pursuance of its action plan for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bengaluru proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a vital part of the institution's quality assurance system and work towards ensuring quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of its institution. For this, during the post-accreditation period, institutions need to channelize their efforts towards promoting holistic academic excellence including the implementation of peer team's recommendations.

The guidelines provided in the following pages will facilitate the institution in the creation and operation of the IQAC. The establishment of the IQAC is the first step towards institutionalization and internalization of quality enhancement initiatives. Its success depends on its sense of belongingness and participation in all the activities of the institution. It will not be yet another hierarchical structure or a record-keeping unit of the institution but will be a facilitative and participative unit of the institution. It has the potential to become a vehicle for ushering in quality enhancement through its planned and interventionist strategies to remove deficiencies and enhance quality, as in Quality Circles in industries.

IQAC - Vision

To promote quality culture as the prime concern of Higher Education Institutions through institutionalizing and internalizing all the quality-enhancing and sustaining initiatives taken with internal and external support.

Objective

The primary aim of the IQAC is

- To develop a mechanism to promote conscious, consistent and catalytic action plans to improve the academic and administrative performance of the institution.
- To promote institutional quality enhancement and sustenance through the internalization of quality culture and institutionalization of the best practices.

Strategies

IQAC shall evolve a mechanism and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial units:
- b) Adoption of relevant and quality academic and research programmes;
- c) Ensuring equitable access to and affordability of academic programmes for various sections of the society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) Ensuring credible assessment and evaluation processes;
- f) Ensuring the proper allocation, adequacy and maintenance of support structure and services; and
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

- a) Development and application of quality benchmarks;
- b) Setting parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty development to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all the stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters to all the stakeholders;
- e) Organization of intra- and inter-institutional workshops and seminars on quality- related themes and promotion of quality circles;
- f) Documentation of various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of the best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining and enhancing institutional quality;
- i) Periodical conduct of Academic and Administrative Audits along with their follow-up activities; and
- j) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per the guidelines and parameters of NAAC.

Benefits

IQAC will facilitate / contribute to

- a) Ensuring clarity and focus in the institution's march towards quality enhancement;
- b) Ensuring internalization of quality culture;
- b) Ensuring enhancement and coordination among the various units and activities of the institution and institutionalizing all good practices;
- c) Providing a sound basis for decision-making to improve institutional functioning;
- d) Acting as a dynamic system for quality changes in HEIs; and
- e) Building a sound methodology for documentation and internal communication.

Composition of the IQAC

The IQAC should be constituted in every institution under the chairpersonship of the Head of the Institution with heads of key academic and administrative units and a few teachers and a few distinguished educationists and representatives of the local management and stakeholders as members.

The composition of the IQAC should be as follows:

- 1. Chairperson: Head of the Institution
- 2. Teachers to represent all levels (Assistant Professor and Associate Professor) (Three to eight)
- 3. One member from the Management
- 4. The senior administrative officer (Office Superintendent/Manager)
- 5. One nominee each from the Local Society/Trust, Students and Alumni
- 6. One nominee each from the Employer/Industrialists/Stakeholders
- 7. One of the senior teachers as the Coordinator of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution and accordingly the representation of teachers may vary. The IQAC helps the institution in planning and monitoring quality-related activities. It ensures the various stakeholders' and beneficiaries' cross-sectional participation in the institution's quality-enhancement activities. The guidelines given here are only indicative and will help the institutions in their quality-sustenance activities. The membership of the nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-thirds of the total number of members. The Agenda, Minutes and Action Taken Reports are to be documented and maintained electronically in a retrievable format.

While selecting these members, several precautions need to be taken. A few of them are listed below:

- It is advisable to choose persons from different backgrounds who have earned respect for their integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the Coordinator every two/three years to usher in new thoughts and activities in the institution.
- It would be appropriate to choose senior administrators and persons in charge of institutional services such as library, computer centre, estate office, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be aware of the institution's objectives, strengths and limitations, and should be committed to its improvement. The local Society/Trust representatives should be of a high social standing and should have made significant contributions to society and to education, in particular.

The Role of the Coordinator

The role of the Coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The IQAC Coordinator may be a senior and competent person with rich experience and exposure to quality aspects. He/She may be a full-time functionary or a senior academician/administrator entrusted with additional responsibility as the IQAC Coordinator. Secretarial assistance should be ensured by the administration. It is essential that the coordinator has a sound knowledge of computers and data management.

Operational Features of the IQAC

Quality assurance is a by-product of the ongoing efforts of an institution to define its objectives and chalk out a work plan to achieve them and also specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The IQAC has to ensure that whatever is done in the institution for higher education is done efficiently and effectively. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on the various aspects of the functioning of the institution. The IQAC Coordinator has a major role in implementing these functions. The IQAC may derive support from the already existing units and mechanism that contribute to the functions listed above.

Institutions are requested to submit the AQAR every year and the submission should start after one year from the date of accreditation. A functional IQAC and timely submission of the AQAR are the minimum institutional requirements to go in for the second, third and subsequent cycles of accreditation. During the institutional visit, the NAAC peer team will interact with the IQAC to know about its functioning, progress, and the quality sustenance initiatives undertaken by it.

The AQAR may be part of the Annual Report. It shall be approved by the statutory body/bodies of the HEIs (such as the Syndicate/Governing Council/Executive Council/Board of Management) which will also monitor the quality enhancement measures undertaken by the IQAC.

The IQAC may create its exclusive window tab on its institutional website for keeping the documents pertaining to NAAC, Peer Team Reports, AQAR, and Certificate of Accreditation. It shall regularly upload/report on its activities and host the AQAR as well.

Revised Accreditation Framework

NAAC launched the Revised Accreditation Framework in July 2017 and hence the AQAR format also was modified in tune with the new methodology. The tools and parameters in the new AQAR format have been designed in such a way that the preparation of the AQAR would facilitate the HEI's SSR preparation for the upcoming cycle of accreditation. It is hoped that new AQAR format would facilitate Higher Education Institutions in creating a good database at the institutional level for enhancing a culture of excellence.

As per the Revised Accreditation Framework (RAF), NAAC-accredited institutions need to submit the AQAR online. Henceforth, HEIs need not submit the printed/hard copy of the AQAR to NAAC. The login ID for the online submission of the AQAR will be the e-mail ID used for the Institutional Information for Quality Assessment (IIQA). The AQAR of the preceding year should be submitted to NAAC before 31st December every year. When institutions submit the AQAR online they will receive an automated response from the NAAC portal.

Mandatory Submission of AQAR by IQAC

The Executive Committee of NAAC has decided that with effect from 16th September 2016 regular submission of the AQAR is mandatory for the second and subsequent cycles of accreditation.

The following are the prerequisites for the submission of AQAR for all Higher Education Institutions opting for the second and subsequent cycles of Assessment and Accreditation:

- The institution should have a functional IOAC.
- The minutes of IQAC meeting(s) and compliance to the decisions taken should be uploaded on the institutional website.

• The institution should have uploaded the AQAR on its institutional website for access to all its stakeholders.

Note: The terms and abbreviations used in the AQAR are in accordance with the respective NAAC manuals. Please refer to the glossary for the meaning of specific terms and abbreviations used in the AQAR.

Guidelines to HEIs to fill in AQAR

- Institution has to submit AQAR online in the prescribed format only. Institution has to provide Completed academic year data. Only one year data to be provided in AQAR.
- Duly filled Data template has to be submitted along with AQAR online. Data template along with supporting documents needs to be uploaded in the institutional website.
- ➤ QIM responses to be recorded in 100-200 words only.
- ➤ If the institution does not submit the AQARs on time, it will be recorded as late submission
- ➤ If institutions do not respond to the clarification(s) sought and do not edit AQAR accordingly within the stipulated time line even after 3 reminders, NAAC will accept AQAR as it is and an automated email will be sent to the HEI.
- After the approval of AQAR, the edit option will not be provided.
- All the terms provided in the glossary and used in the AQAR shall be read in conjunction with the respective manuals.
- The AQAR format (Affiliated / Autonomous) has to be chosen and submitted for an academic year as per the status approved by UGC for HEI in that respective academic year. After completing one academic year as an Autonomous College, the HEI may submit in AQAR Autonomous College format. For example: The college is accredited on 31-03-2015. During the academic year 2017-18, suppose in 11 March 2018, a college received the Autonomous status by UGC, the AQAR for 2017-18 should be submitted in Affiliated College format and for Academic year 2018-2019 the college needs to submit AQAR in Autonomous College format.
- ➤ The revised AQAR format will be implemented from the academic year 2020-2021. Format of AQAR for earlier years is also available on NAAC website.
- ➤ In the AQAR, during the year has been specified which means latest completed academic year.
- The HEI's which are submitting AQAR after the first cycle (and subsequent cycle) should provide previous year AQAR links, however, those HEI's which are submitting AQAR for the first year after first cycle of accreditation may provide the SSR link instead of AQAR link.

The Annual Quality Assurance Report (AQAR) of the IQAC (For Affiliated/Constituent (UG) Colleges)

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e., Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. The AQAR period would be the Academic Year. (For example, June 1, 2017 to May 31, 2018) (with effect from academic year 2021-22)

2. Institutional Preparedness for NEP 2020

(Description in maximum 500 words)

1. Multidisciplinary / interdisciplinary:

a) Delineate the vision/plan of institution to transform itself into a holistic multidisciplinary institution.

Response: Our University provides two subsidiary papers along with compulsory language papers and Honours Paper in the part I and Part II of UG courses for a holistic multi-disciplinary approach and understanding of various subjects. A paper on General Environmental Studies (GES) is also offered to all students as a compulsory paper at the third level of UG courses. While delivering lectures, teachers are instructed to acquaint students with concepts of other disciplines to enhance the level of understanding of students.

b) Delineate the Institutional approach towards the integration of humanities and science with STEM and provide the detail of programs with combinations.

Response: No such facilities are available in our college.

c) Does the institution offer flexible and innovative curricula that includes credit-based courses and projects in the areas of community engagement and service, environmental education, and value-based towards the attainment of a holistic and multidisciplinary education? Explain.

Response: As a constituent college of the University, syllabus of all the disciplines at UG and PG levels are decided by the University, we are not authorized to make changes in the syllabus.

d) What is the institutional plan for offering a multidisciplinary flexible curriculum that enables multiple entry and exits at the end of 1st, 2nd and 3rd years of undergraduate education while maintaining the rigor of learning? Explain with examples.

Response: NEP-2020 is yet to be implemented by the University. As NEP-2020 is not implemented in the academic calendar year 2021-22, institution has no plan in this regard.

e) What are the institutional plans to engage in more multidisciplinary research endeavours to find solutions to society's most pressing issues and challenges?

Response: Our College is basically an Undergraduate College. PG Course is available only in one discipline, i.e., Home Science. Research Methodology is taught in the PG Home Science

Department of the college. There is no Ph.D. programme in our college. Some of the senior faculties have research scholars under them. There are no research chairs our college. Some of the faculties do their own research to find solutions of various pressing issues and challenges.

f) Describe any good practice/s of the institution to promote Multidisciplinary / interdisciplinary approach in view of NEP 2020.

Response: Our College organize regularly seminars, conferences, lectures and other regular programmes wherein all the students of various departments are encouraged to participate. All the students very keenly listen to the scholars of various disciplines which inculcate in them multidisciplinary/interdisciplinary attitude among them. Noting the importance of interdisciplinary/multidisciplinary studies, all teachers while delivering their lectures explain the desired concepts of other discipline to enhance the comprehensive knowledge of students.

2. Academic bank of credits (ABC):

a) Describe the initiatives taken by the institution to fulfil the requirement of Academic bank of credits as proposed in NEP 2020.

Response: NEP 2020 has not been initiated by the University yet.

b) Whether the institution has registered under the ABC to permit its learners to avail the benefit of multiple entries and exit during the chosen programme? Provide details.

Response: The institution has not yet registered under the ABC to permit its learners to avail the benefit of multiple entries and exit during the chosen programme.

- c) Describe the efforts of the institution for seamless collaboration, internationalization of education, joint degrees between Indian and foreign institutions, and to enable credit transfer.
 - Response: The College has no such authority to go for collaboration especially at the international level. The University looks after this issue.
- d) How faculties are encouraged to design their own curricular and pedagogical approaches within the approved framework, including textbook, reading material selections, assignments, and assessments etc.

Response: Faculties have full liberty to suggest their students regarding textbooks, reading material selections, assignments and assessments within the limits of the syllabus designed by the University. Homework is also prescribed by the teachers to their respective students. Assignments

are also given to students and are evaluated by the concerned teachers.

e) Describe any good practice/s of the institution pertaining to the implementation of Academic bank

of credits (ABC) in the institution in view of NEP 2020.

Response: NEP 2020 is not yet implemented in our University.

3. Skill development:

a) Describe the efforts made by the institution to strengthen the vocational education and soft skills

of students in alignment with National Skills Qualifications Framework.

Response: Faculty Members organize talks regularly to enhance soft skills of students and experts

from outside the college are also invited in such programmes. Regular and punctual classes are

run to finish the syllabus of vocational education in time and to enhance the cognition level of

students.

b) Provide the details of the programmes offered to promote vocational education and its integration

into mainstream education.

Response: Our college provides three programmes namely – BBA, BCA and CND – at the UG

level to promote vocational education in the Koshi region of Bihar. These courses have almost

become part of mainstream education.

c) How the institution is providing Value-based education to inculcate positivity amongst the learner

that include the development of humanistic, ethical, Constitutional, and universal human values of

- iv. NSDC association to facilitate all this by creating a unified platform to manage learner enrolment (students and workers), skill mapping, and certification.
 - Response: NEP 2020 is not yet implemented in the University.
- v. Skilling courses are planned to be offered to students through online and/or distance mode. Response: As NEP 2020 is not implemented in the University, no such courses are planned at the college level.
- e) Describe any good practice/s of the institution pertaining to the Skill development in view of NEP 2020.

Response: NEP 2020 is not yet implemented in the University.

4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

 a) Delineate the strategy and details regarding the integration of the Indian Knowledge system (teaching in Indian Language, culture etc.) into the curriculum using both offline and online courses.

Response: NEP 2020 is not yet implemented in the University.

- b) What are the institutions plans to train its faculties to provide the classroom delivery in bilingual mode (English and vernacular)? Provide the details.
 - Response: As our college is situated in the Koshi/Simanchal area of Bihar, teachers are sensitized time and again to deliver lecture in bilingual mode (English and vernacular) and classes are taken in the bilingual mode.
- c) Provide the details of the degree courses taught in Indian languages and bilingually in the

institution.

Response: Most of the degree courses are taught in Indian languages and bilingually in the

College.

d) Describe the efforts of the institution to preserve and promote the following:

Indian languages (Sanskrit, Pali, Prakrit and classical, tribal and endangered etc.)

ii. Indian ancient traditional knowledge

iii. **Indian Arts**

Indian Culture and traditions. iv.

Response: Techers as well as various resource persons keep the knowledge of Indian culture

and traditions at high priority in classes as well as in various talks organized regularly.

e) Describe any good practice/s of the institution pertaining to the appropriate integration of

Indian Knowledge system (teaching in Indian Language, culture, using online course) in view

of NEP 2020.

Response: No such course is made yet as NEP 2020 is not yet implemented in the

University.

5. Focus on Outcome based education (OBE):

Describe the institutional initiatives to transform its curriculum towards Outcome based

Education (OBE)?

Response: NEP 2020 is not yet implemented in the University.

Explain the efforts made by the institution to capture the Outcome based education in teaching ii.

and learning practices.

Response: NEP 2020 is not yet implemented in the University.

iii. Describe any good practice/s of the institution pertaining to the Outcome based education

(OBE) in view of NEP 2020.

Response: NEP 2020 is not yet implemented in the University.

6. Distance education/online education:

- a) Delineate the possibilities of offering vocational courses through ODL mode in the institution. Response: No such facility is available in our college.
- b) Describe about the development and use of technological tools for teaching learning activities.
 Provide the details about the institutional efforts towards the blended learning.
 Response: Online and Offline classes were being provided during the assessment year by teachers by using various mobile apps.

Describe any good practice/s of the institution pertaining to the Distance education/online education in view of NEP 2020.

Response: No Distance Courses are available in the college. However, online education is one of the topmost priorities of the college. Online classes using various mobile apps such as google meet, zoom, etc. are taken and encouraged in our college.
